

Tectran TPMS Certificates

# TPMS

## Tectran TPMS Sensor Analysis

Valve sensor with *patented split design*. Replacing valve without changing the sensor

Patent Case Structure Design— With *Nylon Fiberglass mix*, high temperature resistant

TPMS chip embedded with world leading brand *Infineon SP37*

Patent valve angle- *0°~40°* adjustable mechanical structure

Patent TPMS— With *special metal valve*

Adopted *Maxell CR2450* battery occupied 70% market share, complied with OE vehicle regulations
